

WILDWOOD HOTEL

WILDWOOD HOTEL
SNOWMASS VILLAGE CO. #1815

A PLACE TO RUN WILD

The Wildwood Hotel is a fun and high energy destination for the groups of thrill-seekers, adventurers, and nature-lovers looking to experience the mountains while having a great time with their friends. Our rooms are designed for groups who've come to share experiences (and are happy sharing living space) so we offer a range of sizes and floorplans, some with bunk beds, that can accommodate 6 or even more. The Wildwood offers just the right amenities for outdoorsy people: grab and go food available 24/7; an all-day casual restaurant; and two high-energy, informal bars with a great selection of craft beers and après-anything, mind-blowing cocktails. Everything here has been designed for relaxing, socializing, and making new friends in an atmosphere that's funky and fun.

WINTER IN SNOWMASS

Snowmass is covered with perfect Colorado powder, and massive enough to offer every type of terrain from serene to extreme. With 3,300 acres of snow, Snowmass contains 94 trails totaling 150 miles and varying from cruisers to cliff bands, along with three terrain parks and pipes. The ski area also offers award-winning ski school programs, races and competitions. Beyond skiing and snowboarding, there's something for everyone: on-mountain concerts, snow cat dinner rides and family-friendly dining, and more.

SUMMER IN SNOWMASS

SNOWMASS LOST FOREST

The Lost Forest isn't hard to find, it's just hard to see. Tucked in among the trees and rocks, you will find:

- Alpine coaster
- Zip lines
- Biking and hiking trails
- Ropes
- Challenges and courses
- Climbing wall
- Fishing ponds
- Disc golf

HIKING TRAILS

Begin your journey at the top of Elk Camp Gondola, where you can take one of several hiking trails to explore Snowmass, find fields of wildflowers and pine forests, take in the views, and enjoy all of the beauty that the famed Rocky Mountains offer.
